

AXUS whole Product Line support 2.5 inch SSD/HDD Now

March 11, 2010

AXUS releases a 3.5 inch to 2.5 inch Drive Tray Bridge Bracket which enable you to install 2.5 inch drives including SSD and HDD in all current AXUS RAID Systems. The available units are:

- YOTTA B Series.
- YOTTA A Series.
- YOTTA Sport Series.

Using 2.5-inch drives allows better performance and hence is ideal for I/O-intensive applications. AXUS 3.5 inch to 2.5 inch Drive Tray Bridge Bracket provide you a fast and convenient way to install 2.5 inch drives in all AXUS RAID systems. With this Bridge Bracket you can continue choice your familiar AXUS RAID systems while you need higher I/O performance that benefit from 2.5 inch Drives at lower cost compared with those un-popular small footprint RAID systems.

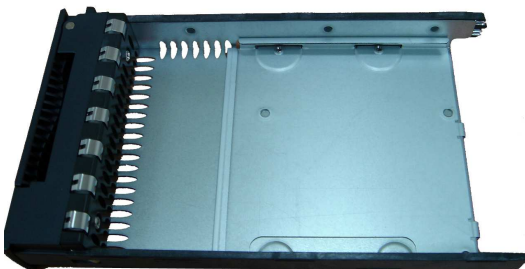

3.5 inch to 2.5 inch Drive Tray Bridge Bracket

Before install the Bridge Bracket

After install Bridge Bracket

Install 2.5 inch drive into the tray.
